直徑 2.25 吋，限量發行

敬邀各地台灣同鄉會及鄉親朋友共同推廣使用，目的：

1. 宣導美國聯邦政府 2020 戶口普查，懇請鄉親踴躍填寫，並於種族欄勾選 Other Asian，備註處填寫『Taiwanese』。

If you are **from Taiwan or of Taiwanese heritage**, be sure to check the “Other Asian” box and write in “Taiwanese”

OTHER ASIAN

WRITE IN

TAIWANESE

2020 CENSUS | #COUNTA

2. 團結落實認同運動：強化台美身份認同，並促進融入美國社會。

設計意義：TAIWANESE 為深綠色，代表我們台灣人如同一棵樹的葉子。

AMERICAN 為褐色，代表樹幹以及大地（美國）。樹葉需要仰賴樹幹及大地供給的養分，才能茁壯成長。我們在美國『落地生根』的意義。

TAA-USA (Taiwanese Association of America) has designed a 2.25” button with the intention to:

1. Advocate for more Taiwanese Americans to write in “Taiwanese” under “Other Asia” for the decennial US 2020 Census.

2. Promote the Taiwanese American identity and to enhance the sense of community.

The two different colors used for the button are of special significance. Taiwanese Americans, who call America home, are thriving and flourishing in the land of the free, just like the lavish green leaves are being supported by the sturdy tree trunk and nurtured by the earth.

Please contact your local chapter of TAA to order the buttons.
